A staffed nursery room is available throughout the service for families who may need it (past the kitchen on the north end of the building).

We have assisted hearing devices for the hearing impaired. Please inquire at the sound booth in the back of the sanctuary.

OPPORTUNITIES FOR GROWTH AND FELLOWSHIP

Habitat For Humanity Faith Build This spring we invited you to prayerfully and financially support the Habitat Faith Build (where local congregations have combined resources and manpower with Habitat For Humanity to provide a home for a local family). Work on this home is coming along and it now needs the insulation, vapor barrier, and caulking installed. Calvary has been the go-to group for this construction phase and will tackle the project for this house as well. If you are interested in helping, please come to 1340 Lenore Way on Thursday, September 21st. Work will happen between 8:30 AM and 3 PM. Come for all or part of that time. Please let Rod Scheel know you are planning to participate: 218-770-8231 or rodscheel@live.com.

Thanks to all who've given to help cover the cost of the insulation for this Habitat home. We received about half of the \$3000 needed. Please consider giving to meet this goal. You can designate your gift to the "Habitat Faith Build" in the memo line of your check.

Thank You I would like to thank my Calvary family for all the cards, calls, and prayers during my surgery and recovery. Your support is such a blessing. Thank you! -Vangie Stein
