Adult & Teen Challenge Minnesota

Core Values:

**COMPASSION. HONOR. RESPECT. INTEGRITY.
SERVANTHOOD. TRUST.**

Since 1983, Mn Adult & Teen Challenge has been restoring hope to people struggling with drug and alcohol addiction. In addition to our effective and affordable residential Licensed Treatment, faith-based Long-Term Recovery, and convenient Outpatient program, we have extensive prevention and transitional/aftercare services. This wide variety of treatment and recovery programs allows us to effectively serve individuals with a broad spectrum of addiction issues, from those seeking treatment for the first time to those who have been struggling with addiction for many years.

Our mission is to assist teens and adults in gaining freedom from chemical addictions and other life-controlling problems by addressing their physical, emotional, and spiritual needs.

MNTC Choir

One of the most well-known and powerful ways Minnesota Adult & Teen Challenge reaches the community at large is through our client choir. Each weekend local churches welcome men and women from our long-term programs to share their testimonies, sing worship songs, and fellowship with the congregation. Throughout the year, our MnTC choir ministers to a wide variety of churches throughout Minnesota and western Wisconsin.

During services, we share a hope-filled solution to the intimidating statistics behind addiction, highlighting Christ's message of redemption and restoration.
